TEAM KIDS

Big Brothers, Big Sisters – Independence Region

TEAM Kids is specifically a Community-Based mentoring, meaning that the relationship is year-round; mentors (“Bigs”) interact with families, and see child mentees (“Littles”) 2-4 times per month on weekends and/or after school; their activities together take place in the community. Bigs and Littles sign up for at least a one year relationship. Throughout the length of their involvement in the program – from the first contact on – Bigs and Littles interact with and receive support from dedicated, trained, professional staff.

Types of services: One-to-one community based mentoring

Age: 9-18

Geographic area to be served: Camden County

I DARE TO CARE ASSOCIATION YOUTH MENTORING PROGRAM

I Dare to Care Association

COMMUNITY PLANNING
& ADVOCACY COUNCIL
Creating Community Solutions

The primary program goal of ID2C is to foster positive development and improve outcomes for girls ages 7 -18 by promoting opportunities for youth leadership, and self sufficiency; preparing the girls for healthy lifestyles that consist of positive relationships and personal accountability. Program goals are to provide experiences, exposure and assistance to girls ages 7-18 years that support our fundamental belief that zip code does not determine destiny. Program goals are rooted in the daily, lived experiences of the girls and work in concert with mentoring and other prevention and intervention services that serve to prevent abuse and neglect, break negative generational cycles by increasing resources for families, and helping the girls develop an ever-evolving cycle of personal success and growth.

Types of services: Mentoring, Youth Leadership, Prevention and intervention services

Age: Girls ages 7-18

Geographic area to be served: Camden County

AFTER SCHOOL & YOUTH NIGHT

LUCY (Lifting Up Camden's Youth)

COMMUNITY PLANNING
& ADVOCACY COUNCIL
Creating Community Solutions

LUCY will provide educational, social and service-oriented programming, two evenings per week, year-round. Youth nights, offered for all low-income Camden County youth ages 12-19, include a wide array of programs such as speakers, workshops, team building and leadership development. All topics are chosen by the youth participants themselves based on interest and needs.

Programs are offered Tuesday and Thursday evenings, 5:30-8:30pm, weekly. LUCY will continue offering youth nights during the summer months. Youth nights address the following areas of youth development and needs of this youth population: educational, social and service-oriented programming. There will be a minimum of 15 participants during each youth night.

SUMMER PROGRAM

LUCY (Lifting Up Camden's Youth)

COMMUNITY PLANNING
& ADVOCACY COUNCIL
Creating Community Solutions

The LUCY Summer Program was designed and created to support working, low-income families during the non-school hours by eliminating stressors by providing a safe and supportive place for their children. We assist youth with transportation and bus passes, clothing, school uniforms and more in order to remove barriers that pose challenges for them to access educational programs like LUCY. Students receive homework help, tutoring in small groups, and participate in recreational and educational activities and workshops. Youth are able to find a safe space where they can be their true, authentic selves, without judgement, while being exposed to exciting educational, social and service-oriented opportunities, including clubs, day trips, speakers, workshops, overnights and immersion trips.

Types of Services: Summer day camp, recreation

Ages: Youth ages 7-18

Geographic area to be served: Camden County

Contact Information:

WE SERVE ALL GIRLS COLLABORATION

Harambe

COMMUNITY PLANNING
& ADVOCACY COUNCIL
Creating Community Solutions

We Serve All Girls Collaboration is a community-based program developed to help cis, gender neutral and trans girls at risk for being victimized by or committing dating (or later domestic) violence to understand how the abuse of power can lead to relationship violence, and to utilize this understanding to improve their own relationships. The project, established in 2023 serves girls who self select to be in the group, with the permission of their parents. Girls participates in a twelve-month, small group program that builds on their current strengths and exposed them new options which are intended to be deterrents to abuse and violence. The program also helps girls to explore the contrast between healthy and abusive relationships; to develop skills that build healthy relationships; and generate new skills and attitudes through community involvement and social action.

Types of services: Community-based program developed to help girls who are at risk of being victimized by or committing dating (or later domestic) violence.

Age: Cis, transgender and gender expansive girls between the ages of 14-20

AFTER SCHOOL ANTI-VIOLENCE / CONFLICT RESOLUTION PROGRAM

Social Responsibility Through Me

COMMUNITY PLANNING
& ADVOCACY COUNCIL
Creating Community Solutions

Social Responsibility Through Me is seeking to change the culture of violence that envelopes the City of Camden's youth in grades 4-8 and deters them from academic successes. The program works to change the culture by exposing youth to positive role models at an early age and present them with the tools necessary for successful conflict resolution by utilizing self-correcting behaviors that result in an increase in non-violent resolutions and a corresponding decrease in fights, suspensions, expulsions and/or interactions with authorities.

Types of services: Educational achievement, cognitive attainment, health & safety, social & emotional development, self-efficacy

Age: Grades 4-8

Geographic area to be served: Camden City

Lit Lit Literacy reading enrichment program is designed to promote early literacy and reading skills among children. The program is divided into two age groups: birth to 3 years old and 3-6 years old. For the birth to 3 years old group, the program offers interactive reading sessions led by trained volunteers or staff members. The sessions include reading age-appropriate books, singing nursery rhymes, and engaging children in sensory activities that promote early literacy skills. For the 3-6 years old group, Lit Lit Literacy offers reading enrichment activities to build on their existing reading skills. These activities may include guided reading sessions, phonics-based games, storytelling, and literacy-based crafts.

Types of services: Tutoring, college prep and career development

Age: 0-6

Geographic area to be served: Camden City

BORN TO READ

Center For Family Services, Incorporated

Born to Read is a grade-level reading initiative that focuses on raising the literacy levels among children living in Camden County. The primary goal of this project is to provide families with books, enabling parents to effectively increase the quantity and quality of conversations resulting in greater development of their child's vocabulary. In addition, parents will be able to read with their children allowing them to increase their literacy at higher rates than if they were simply read to. By placing emphasis on early childhood literacy through the Born to Read program.

Types of services: Strengthen individuals and family functions, enhance parental capacity for growth and development, increase the stability, health, and wellbeing of children and families and empower community residents to acquire the knowledge, skills, and resilience they need to succeed, and provide optimal outcomes for children and families in efforts to prevent child maltreatment.
